

Redwood Bluegrass Associates is based in the South Bay, and presented its first concert in November, 1991. RBA has also sponsored workshops and jam sessions, but this is a list of their 25 years of concert presentations. The Los Gatos Unitarian Church, Palo Alto Unitarian Church, Spangenberg Theatre, First Presbyterian Church of Mountain View (14 years!), and, currently, the Mountain View Masonic Lodge have been the primary venues for RBA shows. RBA has also co-presented shows with Villa Montalvo featuring Doc Watson, Ricky Skaggs & Kentucky Thunder, and the Del McCoury Band.
